Re: Freedom of Information Act Request

Dear Environmental Protection Agency Records Access Officer:

I respectfully request, pursuant to the Freedom of Information Act, that you provide me with true and complete copies of the following records related to the Caño Martín Peña revitalization project overseen by the Environmental Protection Agency (electronic copies are requested to the extent they are available):

- 1. All communications with any federal agency, including without limitation the U.S. Army Corp of Engineers, related to the Caño Martín Peña revitalization project.**
- 2. All intra-agency communications related to the Caño Martín Peña revitalization project, to the extent not privileged or otherwise not protected from disclosure.**
- 3. All communications with the government of Puerto Rico and its agencies, including without limitation the ENLACE Project, a corporation belonging to the Government of Puerto Rico, related to the Caño Martín Peña revitalization project.**

In the event that electronic copies of any of the requested records are not available, please inform us in advance of the cost of providing hard/paper copies of the above-described records.

If, for any reason, any responsive records are redacted, or any portion of this request is otherwise denied, please inform us of the specific records for such redaction/denial in writing, and provide the name and address of the person to whom an appeal should be directed.

Sincerely yours,

Paola Toro
